## OBJECTIVE

Aspiring software engineer seeking a full-time position to leverage my problem-solving skills and technical expertise in developing innovative and impactful applications. Committed to continuous learning and professional growth, eager to tackle challenging projects that enhance my proficiency in both frontend and backend development.

## EDUCATION

**Bachelor of Engineering in Computer Engineering**, Thadomal Shahani Engineering College Dec. 2021 - Jun. 2025

CGPA: 8.26/10

## SKILLS

<b>Proficient</b>	C++, Python, JavaScript, C, HTML5, CSS3, React, MongoDB, Tableau
<b>Familiar</b>	Java, SQL, Node.js, Pandas
<b>Experienced</b>	Git, GitHub, Excel

## EXPERIENCE

**Web Development Intern** May 2024 - July 2024

*Zidio Development, Mumbai, Maharashtra*

- Contributed to developing a React-based chat application and a feedback system using the MERN stack. - Enhanced user experience with responsive design, efficient state management, and real-time communication features.

**Frontend Developer Intern** July 2023

*TechnoHacks Pvt. Ltd., Mumbai, Maharashtra*

- Designed and implemented various web components, including landing pages and personal portfolios, utilizing HTML5, CSS3, and JavaScript.

## PROJECTS

**Feedback Application with Admin Dashboard** July 2024

- Developed a React-based feedback application featuring login, signup, and an interactive admin dashboard for managing feedback. [GitHub](#)

**React Chat Application** June - July 2024

- Developed a real-time chat application with file uploads and user authentication for efficient communication. [GitHub](#)

**E-commerce Website Development** Mar. - Apr. 2024

- Built an e-commerce site using React, MongoDB, Express, and Node.js with a user-friendly UI and secure payment processing. [GitHub](#)

**URL Shortener (Sortie)** Feb. 2024

- Created a URL shortener using Node.js, Express.js, and MongoDB, featuring URL shortening and visit tracking. [GitHub](#)

## CERTIFICATES

<b>Python Programming</b>	TechGyan Technologies	July 2024
<b>Pandas with Python Tutorial</b>	Infosys SpringBoard	July 2024
<b>Machine Learning Workshop</b>	TechGyan Technologies in association with IIT Bombay	June - July 2024
<b>Tableau Features Hands-on!</b>	Infosys SpringBoard	June 2024
<b>2nd Prize, Interschool Science Quiz</b>		2017
